**PURPOSE/BACKGROUND:**

On August 20, 2004, the City allocated \$100,000 in Community Development Block Grant (CDBG) funding to Opportunity Village for the replacement of the heating, ventilation, and air conditioning (HVAC) system at the Opportunity Village Thrift Store and Processing Center located at 921 South Main Street and secured the funding with a Deed of Trust. This site is now being used as partial collateral to secure a \$24 million line of credit to finance the construction of Opportunity Village new campus at Patrick Lane and Jones Boulevard. To facilitate the project financing, the City Deed of Trust must subordinate to the Senior Deed of Trust in favor of the Allied Irish Banks.

**RECOMMENDATION:**

Staff recommends that the City Council approve the Subordination Agreement and authorize the Mayor to execute the Agreement after the Agreement has been approved by the City Attorney.
